

# A MIX OF

# TECHNOLOGY AND TRADITION

## Ensure Organizational Excellence (Series 5)

In the training world, content is king and intrAtrain™ Blended Learning Solutions is the king of content! intrAtrain™ BLS is a revolutionary competency-building model based on the principles of Poly Modal learning. Participants learn more, faster, and with greater motivation than other training systems. Each blended learning workshop is content validated, fully customizable and includes supporting documents.

Courses are organized according to five (5) Series.

Series 1 – Achieve Self-Mastery

Series 2 – Achieve Interpersonal Mastery

Series 3 – Achieve Unit Excellence- Leader/Manager

Series 4 – Enable High Performing Teams – Leader/Member

Series 5 – Ensure Organizational Excellence – Executive

Each course includes valid evaluations, pre- and post-knowledge assessments, expert learning models, proven job aids and competency building skills.
